Dear Mr. Ruben:

This spring semester I had the opportunity to serve as a legal intern at Boulder County Legal Services (BCLS). I helped provide members of the greater Boulder community with meaningful access to high quality, civil legal services. At BCLS, I gained exposure to a wide-range of cases and worked with experienced pro-bono attorneys from a number of practice areas. In particular, I provided legal research and writing for a state-wide initiative to ensure that Limited English Proficiency individuals have access to public housing information and legal documents in their native languages. In addition, I was responsible for responding to calls on the Spanish hotline and conducting intakes with Spanish-speaking clients. Finally, I assisted volunteer attorneys during BCLS's weekly family law pro se clinic with legal research and translation.

My internship at Boulder County Legal Services was a very emotionally and intellectually rewarding experience. I thank Equal Justice America for their generous support.

All the Best,
