RE: Stephanie Todd

To Whom It May Concern:

My name is Allison Wright and I am a staff attorney at GLBTQ Legal Advocates & Defenders (GLAD), a New England-based public interest legal organization dedicated to ending discrimination based on gender identity and expression, HIV status, and sexual orientation. This summer, I had the pleasure of serving as Stephanie Todd's supervisor during her internship at GLAD. Per Stephanie's fellowship agreement with Equal Justice America (EJA), the following surmises Stephanie's work and experience as an EJA fellow at GLAD.

Stephanie worked an equivalent of 10 full weeks during her time at GLAD (from May 29, 2018 to August 3, 2018, 8am to 6pm). During that time, Stephanie worked on a wide range of assignments, including, but not limited to, assessing an 8th Amendment claim against a juvenile detention facility and writing a complaint on behalf of a transgender woman seeking to prevent the unauthorized disclosure of her private transgender status. For a full list of all the work Stephanie completed during her internship at GLAD, enclosed, please find a list of Stephanie's assignments in her Exit Memo.

Stephanie proved herself to be a quick and efficient legal researcher and writer. Other GLAD attorneys described Stephanie as energetic, eager to help, and described her work as making positive contributions to GLAD.

Overall, Stephanie described her experience at GLAD as good. She enjoyed having weekly check-ins with me as her supervisor and enjoyed learning about how cases come to fruition at GLAD. Stephanie worked on a wide array of legal subjects and obtained varied legal writing experience (e.g. letters, complaints, memos).

It was a pleasure to work with Stephanie this summer and her presence at GLAD will be missed.

Sincerely,

Allison Wright
