**Organization:** Greater Boston Legal Services

### Update 1:

Thank you, Equal Justice America, for providing me with the opportunity to be an Equal Justice America Fellow this summer. Their program has allowed me to work in the Family Law Unit at Greater Boston Legal Services and learn under incredible attorneys.

---

**Update 2:** Greater Boston Legal Services provides free legal representation to their clients. It is important to expand access to legal services so that everyone has access to the justice system.

---

### Update 3:

Over the past few weeks, the family law interns have been supporting GBLS' CORI project. The CORI project aims to assist people in sealing their criminal records to provide access to employment and housing.

---

**Update 4:** As I wrap up my time with GBLS, I reflect on what I have learned. I appreciate the guidance I have received on projects from incredible attorneys. Thank you GBLS!

---

### Update 5:

The past few weeks have provided incredible opportunities for me to support GBLS attorneys in court. Family Law attorneys are in probate court multiple times a week advocating for their clients. Child support is one of our top goals!
