

Summer 2021 EJA Fellow:

Name: Tim Schubert

Law School: Fordham University School of Law

Organization: Lincoln Square Legal Services

Update 1:

I am honored to have been selected as an EJA Fellow to support my work at the Federal Tax Clinic. In the past three weeks, I have gained a great deal of experience working directly with clients to address their legal needs. I have also had the opportunity to conduct legal research and review and draft legal documents. I am excited to continue to grow this summer and work for an organization that supports low-income taxpayers.

Update 2:

So far this summer I have been able to provide many low-income taxpayers with direct legal assistance. It would not have been possible without Equal Justice America.

Update 3:

This summer continues to be filled with wonderful opportunities for growth. I have been able to work directly with low-income taxpayers to help address their legal needs. None of this would be possible without Equal Justice America.

Entry 4:

My summer working at Lincoln Square Legal Services has been a great legal experience. I have been able to draft legal documents and craft arguments to better serve low-income taxpayers. None of this would have been possible without Equal Justice America.
