Midlothian, VA 23112

Dear Mr. Ruben,

I am writing to express my gratitude for the invaluable support you have provided to the Disability Rights Clinic. Your commitment to promoting equal access to justice has not only made a significant impact on my education but has also inspired me to pursue a career dedicated to serving those in need.

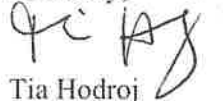

I want to extend my sincere thanks for the financial support you generously offered. Your support allowed students like me to gain hands-on experience in the student clinic. This support has been instrumental in shaping my understanding of the legal system and reinforcing the importance of ensuring justice for all, regardless of socioeconomic status.

My experience in the student clinic has been transformative and I owe much of that to the opportunities provided by your organization. Working with experienced attorneys, engaging with real cases, and interacting with clients facing various legal challenges have broadened my perspective and deepened my commitment to pursuing a career in law.

Through your support, I have not only honed my legal skills but also developed a sense of responsibility and compassion towards the individuals and communities who rely on legal aid. The impact of your organization reaches far beyond the financial support; it is a catalyst for positive change in the lives of those who might otherwise be left without a voice.

I am truly grateful for the role the Disability Rights Clinic has played in my legal education and professional development. Your commitment to justice and equality has inspired me to be an advocate for positive change in our legal system. I look forward to paying forward the experience I have received by dedicating my career to making a meaningful impact on the lives of others.

Sincerely,

Tia Hodroj  
2L Student Intern at the Disability Rights Clinic
