

EQUAL JUSTICE AMERICA

Summer 2025

EJA FELLOWSHIP RECIPIENT

NAME	Solomon Hayes
LAW SCHOOL	Boston University
ORGANIZATION	American Civil Liberties Union of Massachusetts

Final Reflection:

My time at ACLUM has been such a wonderful ride. I have helped assist in legal strategies to further immigration relief, habeas support, privacy protections and other public interest initiatives. It has been amazing interning at such an organization devoted to protecting the civil rights, especially under our current administration. I undoubtedly intend on using the skills that I acquired at ACLUM and will carry that with me as I transition into the next chapter of my legal career.
