### Final Reflection:

I am incredibly grateful for the opportunity to spend my summer with Legal Aid DC. A heartfelt thank you to the amazing attorneys and legal support staff in the Housing Law Unit for making this an unforgettable experience.

Over the past few months, I've had the chance to draft motions and discovery requests to support ongoing litigation efforts. I've gained a deeper understanding of housing advocacy through both legal and policy work, and I've had the privilege of engaging directly with clients and supporting them through the eviction process.

I'm also thankful for the opportunity to work alongside such a passionate and supportive group of fellow interns—it was a joy to learn and grow together throughout the summer. Thank you again to everyone who made this fellowship such a valuable and inspiring experience.
