

EQUAL JUSTICE AMERICA

Summer 2026

EJA FELLOWSHIP RECIPIENT

NAME	Georgia Aguilar
LAW SCHOOL	Boston University
ORGANIZATION	ACLU of Southern California

This summer reminded me why I came to law school.

As an Equal Justice America Fellow with the ACLU of Southern California's Gender, Sexuality, and Reproductive Justice Project, I had the privilege of working at the intersection of so many issues that brought me to this profession: gender equity, bodily autonomy, healthcare, and access to justice.

The summer deepened my understanding of what it means to practice law in service of others and affirmed the kind of lawyer I hope to become. I leave with a clearer sense of purpose, immense gratitude for the people who invested their time in mentoring me, and an even stronger commitment to building a more just and equitable legal system.

I am especially grateful to Equal Justice America for making this experience possible and for investing in law students committed to public interest work. Thank you to everyone who supported me along the way. Now, on to 3L! ❤️
