

## Summer 2020 EJA Fellow:

**Name:** Jiasui Li

**Law School:** UC Hastings College of the Law

**Organization:** San Francisco Bar Association –  
Justice And Diversity Center

---

### Week of June 15<sup>th</sup>

JDC's Family Law Assisted Self-Help Project (FLASH) provides assistance to people who are representing themselves in their dissolution of marriage in San Francisco court. In addition, the FLASH staff attorney holds bi-monthly Mandatory Settlement Conference Workshops where litigants receive help with preparing for their Mandatory Settlement Conference. The FLASH attorney is located at the ACCESS Center at San Francisco Superior Court and takes referrals from the Center. Services are available in Spanish, Russian and English. FLASH occasionally utilizes the assistance of experienced volunteer attorneys. For more information, email [probono@sfbar.org](mailto:probono@sfbar.org).

---

### Week of July 6<sup>th</sup>

Our Wellness 2020 initiative has taken unexpected turns. At the start of the year, we gathered for weekly wellness walks and the first of four planned symposia, where wellness experts taught us about mindfulness and mental health.

COVID-19 soon disrupted our plans for weekend wellness outing, lunchtime wellness classes, and physical wellness activities. The pandemic is forcing us to examine how we live, work, and connect with each other. As a community, we are learning to be nimble and develop new responses to issues of health, community, and social gathering. Until we can gather again, we will share our most popular wellness articles and resources below. If you have feedback, ideas or resources to share, please email [editor@sfbar.org](mailto:editor@sfbar.org).

Wellness Wherever You Are With the closure of health clubs across the Bay Area, BASF's Weekly Wellness Walks have transitioned from downtown Financial District walks to walks through our individual neighborhoods and local parks.

# EQUAL JUSTICE AMERICA

LEGAL SERVICES FELLOWSHIPS

---

## **Week of July 27th**

Here is the Summer Fellow Fundraiser link:

<https://www.classy.org/ca.../eja-2020-fellow-challenge/c269264>

This money goes to support our future fellows and makes it possible for law students to work in legal aid organizations across the country!

---

## **Week of August 10<sup>th</sup>**

We're proud of former BASF board member Sen. Kamala Harris making history! She is the first woman of color vice presidential nominee, and the first person from the West Coast on the Democratic ticket.

Read our Q&A with Harris from last year: <https://bit.ly/31lbsX3>
