

Summer 2021 EJA Fellow:

Name: Isaac Chavira

Law School: University of Texas School of Law

Organization: American Gateways

Update 1:

My first couple of weeks at American Gateways have been amazing. I have been able to help many clients with their legal issues. As a EJA Fellow, I am looking forward to what this internship offers me.

Update 2:

I have enjoyed my time at American Gateways very much. I have learned many new things and experiences. It has been amazing learning how big the world of Immigration law is.

Update 3:

Halfway through my internship already and I couldn't have been more excited than I am right now. This internship has been amazing. As a EJA fellow, I have been able to work on my dreams.

Entry 4:

My summer internship with American Gateways is coming to an end. I have learned so much about immigration law. I have learned about different visas available to people and the different processes. It has been an amazing time. I will be taking many skills from this internship to school this fall. Thanks to Equal justice America for allowing me to be a EJA Fellow this summer while interning with American Gateways.
